Full time student/apprentice: 10% discount available on application for ULTIMATE or PHOENIX Membership Packages. Application will determine your eligibility, based on your current status as a full time attending student at a local university or an apprentice trade in your first or second year. Approval is at the discretion of Phoenix and not determined by any form of student or concession card. Financial/income tax assessments may be requested for application.

HOW TO JOIN?

- The joining process is simple. Select the membership package which most suits your goals of training. Whether this be fitness, weight loss, stress release, meeting like-minded people and punching them, becoming skilled at one of our programs, or all of them. We're one club at Phoenix, so once you're a member you can participate in any of the programs we offer.
- Once you've selected your membership package, you select how you would prefer to pay. You can pay in advance for your membership or by fortnightly direct debit installments. You must pay before you are able to train and once you have done a trial class – everyone is a member.
- Lastly, you fill out the member registration paperwork which takes about 10-15 minutes. And that's it, you're a member of the Phoenix community and enjoy all the benefits. Make it a part of your life, and achieve your goals with our help!

CANCELLATION OF MEMBERSHIP

Memberships are products/programs purchased in advance and cannot be cancelled within the min time period or period purchased for the membership. Direct Debit memberships are payments for a program purchased in advance – more like paying your membership off, than paying as you go. When the minimum period is completed, direct debit memberships continue until they are cancelled. After minimum period is completed, (or on a pay as you go membership) there is no cancellation fee, and memberships can be cancelled at the gym or online. Memberships cancelled during any minimum period time or defaults to payments will incur a fee. All memberships are paid in advance and are payable whether you use the facilities and services or not. Like FOX, Netflix or your phone, using it is up to you. Direct debit is paid each fortnight for the upcoming fortnight. Pay in advance (PIA) memberships are for 3 or 6 months depending on category. Memberships are not transferrable.

OFFERS: 21 Day Money Back Guarantee for PIA Memberships, FREE trial periods, or any other specials are limited offers and can be cancelled at anytime and can be subject to changes.
