FITNESS TRAINING. Everything we do at Phoenix is fitness training. Fitness with a purpose! Most people train for the fitness and everyone does the classes they prefer. You can get stronger with STRENGTH FIT, do a great general circuit workout with EXPRESS FITNESS or test your-self with the GRUNT FIT HIT classes. The Fitness specific membership is for people wanting fitness only classes, a great workout and something different in their training and lifestyles. The fitness classes are high performance fitness for everyone. The fitness system offers a grading system to measure your progress, challenge, and reward you. Our fitness is unique, fun, challenging and always has incredible variety. It is effective, no nonsense and results (endorphin) driven. Great for families and friends of members who want to enjoy the unique quality of Phoenix, but not do a martial arts program.
